50X1-HUM

Machine Gun Battalion

1. An unidentified machine gun battalion is located in Prilep. Three companies and a communications platoon are attached to the staff of this battalion. The strength of the battalion, including the communications platoon, is approximately 400 men.
 - a. Each company is armed with 10 German Scharatz machine guns; and
 - b. The commanding officer of 1 Company is Lieutenant Stjepan Pavlovic from Bosnia.

Military Warehouses

2. The following military warehouses are located in the area around Sarajevo:
 - a. Seven camouflaged ammunition warehouses are located in Vogosca, 12 kilometers from Sarajevo. These warehouses have been constructed since 1948;
 - b. Two ammunition warehouses of stone construction are located in Kiseljak, eight kilometers from Sarajevo;
 - c. One ammunition warehouse of stone and concrete, constructed in 1950, is located in Kresevo. Two companies guard this warehouse;
 - d. Two wooden buildings, constructed prior to World War II, which are used to store gasoline, are located in Smizovac; and

e. An unknown number of gasoline storage tanks are located in Stup Alipasin, 10 kilometers from Sarajevo.

Ammunition Factory

3. The Titov Vojno Tehnicki Zavod ammunition factory is located in Sarajevo, opposite the King Alexander barracks and near the Miljacka river. The factory building is made of concrete and covers an area of 150,000 square meters. It produces all types of ammunition.

Rajlovac Airfield

4. The main airfield for Bosnia-Herzegovina is located at Rajlovac, nine kilometers east of Sarajevo. This field has both German and Soviet aircraft. Fuel for the field is brought from Alipasin Most.
